School Overview

Glenwood is a Band 6 primary school which is located approximately half-way between Maryborough and Gympie (on the Bruce Highway). It services the community of Glenwood and surrounding areas. Our school motto is 'Grow with Strength' and our school prides itself on preparing our students for life in the 21st century. Our quality curriculum delivers programs that are engaging and also target areas identified through regular data analysis, for improving student outcomes. We highly value the social and emotional growth of our students and are a 'You Can Do It' school where the five keys to success (resilience, getting along, organisation, confidence and persistence) are taught explicitly. These are also a part of our everyday school life. Students participate in the Active After School Sports Program one day a week. Homework club is also run once a week to assist students and parents. Students requiring extra support receive assistance from a range of school staff and visiting specialists.

Principal's Foreword

Introduction

This School Annual Report outlines Glenwood State School's past, present and future goals, key priorities, data on a range of survey satisfaction areas within the school, our curriculum offerings, our social climate, our environmental footprint, the school's staff profile, the key student outcomes and a summary of our closing the gap scheme. We are very proud of our school and we hope this document gives you a great insight in to our great learning community. For parents who do not have internet access, a copy of this report will be presented to the P & C and will be available to read in our school administration office.

School Progress towards its goals in 2016

For 2016 the school prioritised the implementation of Daily Rapid Reading – the Daily Rapid reading program has been fully implemented and has had an enormous effect on our students' reading/comprehension abilities. We are constantly working to refine our daily practice in this area, by regular data conversations, professional development as well as mentoring/coaching and feedback cycles.

Throughout 2016 the school focused on consistent curriculum delivery through the Whole School Curriculum and Assessment Plan (multi-level) for all Australian curriculum key learning areas – we are working with the HOD-RS in the North Coast region to ensure our curriculum is thoroughly planned and moderated to ensure consistency across the whole school.

Our aim for 2016 is to have our whole school attendance rate at or above 92% - we achieved just below 92% in each term throughout 2016. We are constantly monitoring attendance and following up with parents who require assistance in this area.

Our aim in 2016 was to increase the Upper Two Band attainment in Literacy and Numeracy from 14% in some year levels/areas to 20-25% - we are working towards this goal by implementing a number of upper two bands intervention strategies in our Daily Rapid Reading program. We are also working with Rob Proffitt-White in our region to assist with the teaching, assessment and extension opportunities in Numeracy.

Future Outlook

Reading is our major focus for 2017. We analyse and discuss student data to inform our teaching and intervention practices. We believe that all students can be successful and have high expectations of all students to succeed. The community are supporting us through the P&C to ensure we have the best resources. We have a targeted use of our school resources to assist with improving reading across the whole school. Our 'Investing for Success' grant is being used to provide more teacher aide time, which enables us to run our Daily Rapid Reading program and gives us a teacher aide in every classroom. More teacher aides in the classrooms, means more individualised instruction for every student. We are ensuring every teacher and teacher aide have the skills to teach reading and implement any required intervention with individual students. This is done through accessing quality and relevant professional development and regular conversations/feedback with the Principal. The teachers have been working hard with the Principal to ensure that the curriculum they deliver aligns with the Australian curriculum standards and individual student needs. In all classrooms, we deliver the curriculum using explicit teaching and ensure all students receive quality feedback on their work, so that we are constantly improving. We differentiate our curriculum to ensure every student is receiving the support they need to succeed at their level. We are feeling great about 2017 and the improvements/achievements ahead!

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2016:	Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2014	80	37	43	9	83%
2015*	68	32	36	3	89%
2016	85	44	41	7	89%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

Our demographics show a mix of family structures. Our socio-economic profile is also diverse, although we have a high concentration of students from low socio-economic backgrounds. Our students live in the rural area surrounding our school. Whilst the majority of our students come from a European cultural background we have a small representation of other ethnic/cultural groups.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2014	2015*	2016
Prep – Year 3	20	23	14
Year 4 – Year 7	20	21	17
Year 8 – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

Curriculum Delivery

Our Approach to Curriculum Delivery

- Pre-Prep children visits to school, and teacher visits to local kindergarten as part of transition to Prep program.
- Sheena Cameron's Reading Comprehension Strategies – explicit teaching where students receive modelled/shared reading, then guided reading and finish the week with independent tasks (utilising taught focus skill)
- 'Words Their Way' individualised and differentiated spelling program
- German as our LOTE subject
- Music lessons from Prep to Year 6

- You Can Do It – a social and emotional learning program which is taught explicitly across all year levels and focuses on the 5 keys to success – resilience, confidence, organisation, persistence and getting along
- Weekly Good Behaviour Rewards activities – students who display the 5 keys to success and exemplary behaviour are rewarded by Friday afternoon activities that range from Art to Sport.
- Student leadership program for Year 6 students

Co-curricular Activities

- Bi-Yearly camps for Years 5 & 6
- Day excursions that link directly to curriculum for Prep to Year 6 students
- After school sport provided at no cost twice a week for students
- Homework club for students to provide support for homework tasks

How Information and Communication Technologies are used to Assist Learning

Glenwood State School recognises the importance of ICT to the future opportunities of our students. Teachers are actively seeking ways to embed the use of ICT in their classroom daily practice. Every teacher has a laptop computer and access to an interactive whiteboard in each learning area which have on-board teaching tools, which they are using with students.

In 2014, the school partnered with the P&C to purchase laptop computers and iPads for student use in the classroom. The school purchased Wi-Fi technology so that all students and staff have access to wireless connectivity for computers and iPads.

Within the school each learning area is fitted with an Interactive White Board which allows teachers to utilise interactive learning objects to enhance student learning. A range of digital tools including digital cameras, digital recording microphones and flip cameras area available for student learning.

Social Climate

Overview

The school climate of Glenwood is very good. Partnerships between the school and wider community are favourable and the students have engaged in a number of extra-curricular activities that have positively reinforced the reputation of the school. The school has gained an excellent reputation for catering for students with educational and/or social and emotional needs and is respected within the community as a safe place for students with a strong anti-bullying stance.

Teachers conduct both You Can Do It program lessons throughout the year to develop the keys to success getting along, organisation, resilience, persistence and confidence. Teachers are encouraged to nominate students for rewards when displaying the keys to success in their work and school life. Awards are presented at assembly to acknowledge the students achievements. Additional lessons are delivered educating about bullying and strategies to address bullying. Students are encouraged to take control in telling another student to "stop that, I don't like it". In the second instance they are encouraged to say "I asked you to stop and you haven't stopped" and then report the matter to a teacher or administration staff member.

Parent, Student and Staff Satisfaction

* Nationally agreed student and parent/caregiver items

Performance measure			
Percentage of school staff who agree# that:	2014	2015	2016

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.
DW = Data withheld to ensure confidentiality.

Parent and community engagement

Parents are encouraged to participate in the education of their child through the provision of a range of opportunities and strategies. Glenwood State School has a strong and vibrant Parents' and Citizens' Association where parents are encouraged to participate in school decision making, to contribute to school initiatives and to assist with fundraising. The P&C operates a tuckshop and a uniform shop, twice each week, providing a service to parents and operated mostly by volunteers. Classroom teachers encourage parents to become classroom parent helpers. Parents regularly assist class teachers operating reading groups, lesson rotations, and with supervision on excursions.

Respectful relationships programs

We have a range of methods to educate students regarding respectful relationships. Our 3-6 girls attend a "Girl's Social Skills" program run by AngliCare, once a week for a term. This educates them on respect, friendliness, resilience and important values. Our Guidance Officer also runs whole class and individual sessions, upon request by the school. Teachers also follow up on these sessions, in their pastoral care times, throughout the school week. Our younger students, as well as other identified students, do a program called "Zones of Regulation" to assist them in identifying and managing their emotions and reactions to certain everyday stimuli.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	20	8	28
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

Glenwood State School is a rural school that is committed to ecological measures to reduce our environmental footprint. Reliant on rain water tanks for water, we are always conscious of water saving and have put other ecological measures in place such as a school garden, worm farm, compost collection and solar panelling.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	20,474	0
2014-2015	21,167	
2015-2016	22,497	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2016 were \$5350.77

The major professional development initiatives are as follows:

- Leadership seminars/programs for Principal and BSM
- Maths/English curriculum networking days
- Curriculum forums for teachers

The proportion of the teaching staff involved in professional development activities during 2016 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2014	2015	2016
Staff attendance for permanent and temporary staff and school leaders.	97%	96%	94%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 70% of staff was retained by the school for the entire 2016.

Performance of Our Students

Key Student Outcomes Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2014	2015	2016
The overall attendance rate* for the students at this school (shown as a percentage).	89%	92%	92%
The attendance rate for Indigenous students at this school (shown as a percentage).	84%	89%	88%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2014	93%	82%	90%	92%	96%	86%	86%	90%					
2015	91%	94%	90%	92%	92%	93%	90%						
2016	94%	90%	94%	93%	88%	93%	92%						

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

As part of the mandatory same day absence explanation, all classes at Glenwood State School need to have their rolls marked by 9:30am. The Business Manager or trained delegate, then check which students are absent and have had not had an explanation. These parents are then sent a text, using the 'InfoWays' software. Parents can then reply back to the text with the reason for their child's absence. The reasons are then exported in to our OneSchool system. This has dramatically decreased our unexplained absences. Parents are now more aware in notifying the school of their children's absences. This is to ensure everyone's safety, each and every day.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.
